ABOUT

The Northwest Indiana College Coalition works to assist Scholars in enrolling in the 21st Century Scholars Program, registering for a ScholarTrack account, and completing the Scholar Success Program activities. We view the program's efforts to assist students from economically and educationally disadvantaged backgrounds to further develop their academic potential as an integral part of our mission.

Northwest Indiana College Success Coalition is in Lake County, Indiana, which contains a mix of urban, suburban and rural areas. The Lake County school population is 13,691, and with 16 corporations. The target population served is 9th – 12th grade Scholars.
